

Interim Progress Report Questions

Has the project ended, is this your final report? YES or NO

Will you be applying for an extension? YES or NO

1. Describe the progress made toward your research goals since the prior reporting period, or, if your first report, since the start of the project.
2. Have you experienced any challenges or obstacles to your research?
3. Please list any publications, presentations or products directly resulting from this research during this reporting period.
